

Day 2: Friday, August 23, 2013 and Monday, August 26

Assignment

You are the investigator reading the reports above and inspecting the picture of the scene. Mr. Karazai's son claims that his father hanged himself. What do you think is the truth? From the evidence available, make a case for what you think really happened. If you believe that other evidence is necessary, make a recommendation about what other evidence might need to be collected. Before you begin to write your report, list the evidence you will use in making the case and explain why that evidence is significant.

Checklist for report:

- Have you described what was found at the scene and what the autopsy revealed?
- Have you incorporated at least three pieces of evidence?
- Have you explained why the evidence is important to your claim (case)?
- Have you made a recommendation about what should happen next or what other evidence is needed?
